The plot of the first book of this series, The Kiss of Deception, gets very mixed reviews, especially in the Goodreads comments. Some readers loved the slow-paced, gentle dreams of Lia, our main protagonist. Others, however, felt that for a series described as high fantasy, there was not enough action, adventure or plot interest.

A debut entry in a new trilogy by the author of the Jenna Fox Chronicles introduces Princess Lia, who flees an unwanted marriage and expectations about her supernatural legacy only to be pursued by her jilted fiancé and a ruthless assassin.

Held captive in the barbarian kingdom of Venda, Princess Lia and Rafe have little chance of escape--and even less of being together--as the foundations of Lia's deeply-held beliefs crumble beneath her while she wrestles with her upbringing, her gift, and her very sense of self to make powerful choices that affect her country, her people, and her own destiny.

Before borders were drawn, before treaties were signed, before wars were waged anew, before the great kingdoms of the Remnant were even born and the world of old was only a hazy slate of memory told in story and legend, a girl and her family fought to survive. And that girl's name was Morrighan. In Morrighan, a prequel novella to Mary E. Pearson's The Remnant Chronicles, a girl and a boy from enemy camps meet, fall in love--and set history in motion.

Princess Lia and her love, Rafe, have escaped Venda and the path before them is winding and dangerous.

A stunning new young adult adventure set in the kingdoms of the Remnant, by the author of the New York Times-bestselling Remnant Chronicles and the Jenna Fox Chronicles. A formidable

Held captive in the barbarian kingdom of Venda, Lia and Rafe have little chance of escape . . . and even less of being together.

Desperate to save her life, Lia's erstwhile assassin, Kaden, has told the Vendan Komisar that she has a magical gift, and the Komisar's interest in Lia is greater than either Kaden or Lia foresaw.

Meanwhile, the foundations of Lia's deeply-held beliefs are crumbling beneath her. Nothing is straightforward: there's Rafe, who lied to her, but has sacrificed his freedom to protect her; Kaden, who meant to assassinate her but has now saved her life; and the Vendans, whom she always believed to be barbarians but whom she now realizes are people who have been terribly brutalized by the kingdoms of Dalbreck and Morrighan. with her upbringing, her gift, and her very sense of self, Lia will have to make powerful choices that affect her country, her people . . . and her own destiny.

Destiny Faraday makes a point of keeping her distance from her classmates at Hedgebrook Academy. Her number-one rule: Don't get attached. But one day, unexpectedly finding a car at their disposal, Destiny and three of her classmates embark on an unauthorized road trip. They're searching for one fair day—a day where the good guy wins and everything adds up to something just and right. Their destination: Langdon, a town that Destiny's unsuspecting companions hope will hold simply a day of fun. But, as Destiny says, "Things are not always what they seem." possible, and where timeless ambitions threaten to destroy them both.

Zoe's arms prickle. She turns, trying to take it all in. The ache inside returns. It is not for her. It is too much. A real room with real floors and walls. A room for sleeping, and reading and dancing and . . . in her imagination she has pictured the room, but she has never pictured herself in it. Can seventeen-year-old Zoe make it on her own? A room is not much. It is not arms holding you. Not a kiss on the forehead. Not a packed lunch or a remembered birthday. Just a room. But for seventeen-year-old Zoe, struggling to shed the suffocating responsibility of her alcoholic mother and the controlling guilt of her grandmother, a rented room on Lorelei Street is a fierce grab for control of her own future. Zoe rents a
