Second, there was always tension between Iraqi, Syrian, Egyptian, and other regional identities and the larger, all-encompassing Arab identity. The third, and perhaps most ironic, obstacle to the concept of a coherent Arab nation was the linguistic diversity in the land of Araby.

The Rise and Fall of Arab Nationalism

Muasher claims that in the wake of the Arab uprisings a duopoly has emerged within the Arab states that experienced uprisings. On one hand we have the Islamist groups that have gained traction politically through elections; on the other hand has emerged a fragmentary secularist force which gathers bits and pieces of the Ancien R   gime and secularist factions formed after the uprisings.
