The story of Layla and Majnun is the classic Islamic story of doomed love. The young Bedouin poet Qays fell in love with Layla, a woman of his own tribe,

File Type PDF The Story Of Layla

and wrote her many celebrated love poems. When his father forbade the marriage, Qays went mad and began to wander the desert (Majnun is Arabic for 'madman'). Five centuries later, the Persian author Nezami wrote what is generally regarded as the finest version of their story, presented here in a new English translation.

A thirtysomething woman struggles to make all the pieces of her life fit together. She wants a baby, but she also wants her career. She wants the prince of her childhood dreams — but she's madly in love with the one man who's never going to fit that mould. And then, finally, she gets the one thing she wants more than anything else. She falls pregnant . . . Layla . . . If I could sing you back into existence, I would. If I could speak words that would make you whole, somehow sculpt you back to life, I would. If I could turn back the clock to make you safe, I would give anything. If I could sell my soul to any devil for your life, I would not hesitate. This is Vanessa Gorman's extraordinary account of her life before and after losing her baby daughter, Layla, only hours after birth. Sometimes confronting, but always passionately honest, it is a fearless exploration of the depths of grief and the journey back to hope.

"When Leeds meets Layla, he's convinced he'll spend the rest of his life with her--until an unexpected attack leaves Layla fighting for her life. After weeks in the hospital, Layla recovers physically, but the emotional and mental scarring has altered the woman Leeds fell in love with. In order to put their relationship back on track, Leeds whisks Layla away to the bed-and-breakfast where they first met. Once they arrive, Layla's behavior takes a bizarre turn. And that's just one of many inexplicable occurrences."--

Writing nearly 1000 years ago, Nizami captures the lightness of heart that falling in love can bring, the thrill of shared affection, the sorrows of separation, the pains of jealousy and the grief that comes with loss. Nizami inspired rock star, Eric Clapton, to write his song "Layla".

Layla and Majnun reflects the spiritual struggle within the soul of every human being to reunite with the inner flame of love, merging then into the timeless splendor of Divine Love, into the infinite majesty of God.

#1 NEW YORK TIMES BESTSELLER — For the first time, rock music's most famous muse tells her incredible story — A charming, lively and seductive book . . . The appeal of Wonderful Tonight is as self-evident as the seemingly simple but brash opening chord of "A Hard Day's Night." —The New York Times Book Review Pattie Boyd, former wife of both George Harrison and Eric Clapton, finally breaks a forty-year silence and tells the story of how she found herself bound to two of the most addictive, promiscuous musical geniuses of the twentieth century and became the most legendary muse in the history of rock and roll. The woman who inspired Harrison's song "Something" and Clapton's anthem "Layla," Pattie Boyd has written a book that is rich and raw, funny and heartbreaking—and totally honest.

"Layla's struggles at school and home are authentically depicted, and readers who face their own challenges will relate."—School Library Journal School will never be the same. On the first day of eighth grade, thirteen year-old Layla has a pretty good idea of what's in store for her—another year of awkward social situations, mediocre grades, and teachers who praise her good behavior but find her academic performance disappointing. Layla feels certain she's capable of more, but each time she tries to read or write, the words on the page dance and spin, changing partners and leaving her to sit on the sidelines. This year will be different in ways Layla could never have predicted. Her new English teacher, Mr. McCarthy, senses her potential. When he pushes her to

succeed, Layla almost rises to the challenge before making a desperate choice that nearly costs her everything she's gained. Will she be able to get back on track? And who can she count on to help her?

'If you want to invent something nobody has ever thought of before, you need to read the things that others don't read, look in the spaces other people are not in...' Layla believes she was right to stand up for herself against a bully, but it's landed her a suspension - not the way she (or her parents) would have wished to begin her time at her fancy new school! This is just a setback though, and she's determined to prove that she does deserve her scholarship by making new friends and setting her sights on inventing something that could win the big robotics competition. But where to begin? You Must Be Layla introduces Sudanese-born author, broadcaster, social advocate and mechanical engineer Yassmin Abdel-Magied as an exciting new voice in children's writing. "...this warm, humorous account of a larger-than-life Sudanese girl navigating a posh Australian school is an engaging read for 12-plus." - The Guardian

The two-time Grammy Award-winning singer and songwriter bares her heart and soul in this intimate memoir, a story of music, stardom, love, family, heritage, and resilience. She inspired songs—Leon Russell wrote "A Song for You" and "Delta Lady" for her, Stephen Stills wrote "Cherokee." She co-wrote songs—"Superstar" and the piano coda to "Layla," uncredited. She sang backup for Eric Clapton, Joe Cocker, and Stills, before finding fame as a solo artist with such hits as "We're All Alone" and "(Your Love Has Lifted Me) Higher and Higher." Following her story from Lafayette, Tennessee to becoming one of the most sought after rock vocalists in LA in the 1970s, Delta Lady chronicles Rita Coolidge's fascinating journey throughout the '60s-'70s pop/rock universe. A muse to some of the twentieth century's most influential rock musicians, she broke hearts, and broke up bands. Her relationship with drummer Jim Gordon took a violent turn during the legendary 1970 Mad Dogs & Englishmen tour; David Crosby maintained that her triangle with Stills and Graham Nash was the last straw for the group. Her volatile six-year marriage to Kris Kristofferson yielded two Grammys, a daughter, and one of the Baby Boom generation's epic love stories. Throughout it all, her strength, resilience, and inner and outer beauty—along with her strong sense of heritage and devotion to her family—helped her to not only survive, but thrive. Co-written with best-selling author Michael Walker, Delta Lady is a rich, deeply personal memoir that offers a front row seat to an iconic era, and illuminates the life of an artist whose career has helped shape modern American culture.
