giving you the keys to fulfill your purpose. Countless books on success tell you what you need to get that you don't already possess. He helps you learn to define your gift—whether it's being a problem solver, a people-connector, a whiz with numbers, or having an eye for colors. He makes clear that your job is not your gift; you may use it in your work, but it can also be used in your marriage or relationship, your
