Murder in the rich atmosphere of London's Clubland – here is Dennis Wheatley at his thrilling best in this classic, meticulous whodunnit. The detective force, always a step ahead of the police force, brings together the connoisseur Duke de Richleau, a husky American millionaire and a young man-about-town on a charge of matricide.

Today it seems we have the world at our fingertips. Thanks to smartphones and tools such as Google and Wikipedia, we're able feed any aspect of our curiosity instantly. But does this mean we are actually becoming more curious? Absolutely not. In Curious, Ian Leslie argues that true curiosity—the sustained quest for understanding that begets insight and innovation—is becoming increasingly difficult to harness in our wired world. We confuse ease of access to information with curiosity, and risk losing our ability to ask questions that extend our knowledge gap rather than merely filling it. Worst of all, this decline in curiosity has led to a decline in empathy and our ability to care about those around us. Combining the latest science with an urgent call to cultivate curious minds, Curious draws on psychology, social history, and popular culture to show that being deeply curious is our only hope when it comes to solving current crises—as well as an essential part of being human.

All 11 thrilling Duke de Richleau stories, available in one volume for the first time! Follow the aristocratic adventurer as he spies for the British in WWI, rescues friends from the Soviet Union and battles Nazi occultists in Haiti. THE PRISONER IN THE MASK VENDETTA IN SPAIN THE SECOND SEAL THREE INQUISITIVE PEOPLE THE FORBIDDEN TERRITORY THE DEVIL RIDES OUT THE GOLDEN SPANIARD CODEWORD GOLDEN FLEECE STRANGE CONFLICT GATEWAY TO HELL DANGEROUS INHERITANCE TO THE DEVIL A DAUGHTER THE SATANIST
