"HELP! My Students Can't Write!" Why You Need a Writing Revolution in Your Classroom and How to Lead It. The Writing Revolution (TWR) provides a clear method of instruction that you can use no matter what subject or grade level you teach. The model, also known as The Hochman Method, has demonstrated, over and over, that it can turn weak writers into strong communicators by focusing on specific techniques that match their needs and by providing them with targeted feedback. Insurmountable as the challenges faced by many students may seem, TWR can make a dramatic difference. And the method does more than improve

Download File PDF Tips For Teaching Listening A Practical Approach

writing skills. It also helps: Boost reading comprehension Improve organizational and study skills Enhance speaking abilities Develop analytical capabilities TWR is as much a method of teaching content as it is a method of teaching writing. There's no separate writing block and no separate writing curriculum. Instead, teachers of all subjects adapt the TWR strategies and activities to their current curriculum and weave them into their content instruction. But perhaps what's most revolutionary about the TWR method is that it takes the mystery out of learning to write well. It breaks the writing process down into manageable chunks and then has students practice the chunks they need, repeatedly, while also learning content.

Listen Wise Listening skills form part of the foundation of any successful student ' s repertoire of abilities. Crucial to academic performance and success throughout life, attentive listening can transform students ' ability to absorb and understand information quickly and efficiently. In Listen Wise: Teach Students to Be Better Listeners, journalist, entrepreneur, and author Monica Brady-Myerov delivers an insightful and practical examination of how to build powerful listening skills in K-12 students. The book incorporates the Lexile® Framework for Listening and explains why it is revolutionizing the field of listening and contributing to a surging recognition of its importance in the academic curriculum. It also includes firsthand classroom stories and incisive teacher viewpoints that highlight effective strategies to teach critical listening skills. You ' ll discover real-world examples and modern, research-based advice on how to assist young people in

you are looking for a clear and powerful handbook for improving students' abilities to listen to extended and complex academic messages, this is it. Monica Brady-Myerov has written a well-researched and highly practical resource that will become a valuable cornerstone for your theory and practice." —Dr. Jeff Zwiers, Stanford University Graduate School of Education "It's a scandal if a child leaves school unable to read or write, but the vast majority leave every year without ever learning how to listen effectively. This book is long, long overdue and should become a vital resource in all schools as they set about designing their listening curriculum." —Julian Treasure, Sound and Communication Expert and Chairman, The Sound Agency

This book guides language teachers in planning and teaching activities that promote the development of speaking and listening skills at all levels of target language proficiency, for teachers of any modern language. Kathleen M. Bailey draws on her extensive experience as a language teacher, teacher educator, and language learner to interweave practical activities with the research and theory that support their use. Activities include the use of pictures, songs, drama techniques, tasks, and projects to promote the development of speaking and listening skills. The author shares reflections of her own and encourages readers to reflect on their own experiences and become aware of their existing mental constructs through multiple reflection tasks and discussion questions. Each chapter provides focusing questions. The systematic chapter structure scaffolds the readers' understanding of the concepts explored, which include

communication strategies, interactive and non-interactive listening, speaking anxiety, accentedness and intelligibility, and much more. Through its companion website this book provides access to resources that enable readers to continue their own professional development as teachers of listening and speaking in second and foreign language contexts.

"Cambridge English skills' is a four-level skills series specially designed for adults and young adults wanting to communicate confidently in English wherever they are - at home, at work, travelling, studying or socialising with English-speaking friends. Organised around the themes of 'Work and study' and 'Social and travel', the series builds confidence through activities based on everyday situations."--Publisher.

Teaching English as a second or foreign language is full of challenges: How do you hold students' interest? How do you ensure that they get enough practice to really learn? This book addresses the teaching of listening, including listening for main idea, details, specific information, and tone of voice. Active listening and note-taking skills are also covered. The Fifty Ways to Teach series gives you a variety of drills, games, techniques, methods, and ideas to help your students master English. Most of the ideas can be used for both beginning and advanced classes. Many require little to no preparation or special materials. The ideas can be used with any textbook, or without a textbook at all. These short, practical guides aim to make your teaching life easier, and your students' lives more rewarding and successful.
