From Virginia to Sonoma, join Luke at each exciting event including exhilarating short tracks, road courses and breath taking super speedways. Experience the thrill of victory and the agony of defeat. And even as Luke and Jasmine have married and consummated their partnership in the soulfully balmy Carribean their long, lonely separations have created an almost insurmountable rift between the dynamic young couple. Would Luke give up his glamorous, highly profitable career for an incomparably beautiful, Swedish blonde or would the two drift apart irreconcilably? Find out in this new, riveting contemporary romance. Too Hot To Handle.

World leaders have agreed to limit rises in global temperatures, yet climate issues scarcely trouble domestic policies. Implementing climate solutions successfully through the democratic process requires a radical political shift and an overhaul of the laws and systems that govern our society. Drawing on interviews with politicians and activists, this book provides an in-depth comparative analysis of international climate policies to examine how we can build impactful democratic solutions to climate change. The author confronts the difficulties of fitting the climate change agenda into the current political system, including how to make it a voter priority, whilst proposing
