From the New York Times bestselling author,
an acclaimed biography of President Teddy
Roosevelt Lauded as "a rip-roaring life"
(Wall Street Journal), TR is a magisterial
biography of Theodore Roosevelt by
bestselling author H.W. Brands. In his time,
there was no more popular national figure
than Roosevelt. It was not just the energy he
brought to every political office he held or
his unshakable moral convictions that made
him so popular, or even his status as a
bonafide war hero. Most important, Theodore
Roosevelt was loved by the people because
this scion of a privileged New York family
loved America and Americans. And yet,
according to Brands, if we look at the
private Roosevelt without blinders, we see a
man whose great public strengths hid enormous
personal deficiencies; he was uncompromising,
self-involved, and a highly imperfect

Beautifully written, and powerfully moved by its subject, TR is the classic biography of one of America's greatest and most complex leaders.

A biography of Franklin Delano Roosevelt examines his political leadership in a dark time of Depression and war, his championship of the poor, his revolutionary New Deal legislation, and his legacy for the future.

From the early years of fur trading to today's Silicon Valley empires, America has proved to be an extraordinarily fertile land for the creation of enormous fortunes. Each generation has produced one or two phenomenally successful leaders, often in new industries that caught contemporaries by

Download Free Tr The Last Romantic Hw Brands

surprise, and each of these new fortunes reconfirmed the power of fanatically single-minded visionaries. John Jacob Astor and Cornelius Vanderbilt were the first American moguls; John D. Rockefeller, Andrew Carnegie, and J. P. Morgan were kingpins of the Gilded Age; David Sarnoff, Walt Disney, Ray Kroc, and Sam Walton were masters of mass culture. Today Oprah Winfrey, Andy Grove, and Bill Gates are giants of the Information Age. America has again and again been the land of dizzying mountains of wealth. Here, in a wittily told and deeply insightful history, is a complete set of portraits of America's greatest generators of wealth. Only such a collective study allows us to appreciate what makes the great entrepreneurs really tick. As H. W. Brands shows, these men and women are driven, they are focused, they deeply identify with the businesses they create, and they possess the charisma necessary to persuade other talented people to join them. They do it partly for the money, but mostly for the thrill of creation. The stories told here -- including how Nike got its start as a business-school project for Phil Knight; how Robert Woodruff almost refused to take control of Coca-Cola to spite his father; how Thomas Watson saved himself from prison by rescuing Dayton, Ohio, from a flood; how Jay Gould nearly cornered the gold market; how H. L. Hunt went from gambling at cards to gambling with oil leases -- make for a narrative that is always lively and revealing

and often astonishing. An observer in 1850, studying John Jacob Astor, would not have predicted the rise of Henry Ford and the auto industry. Nor would a student of Ford in 1950 have anticipated the takeoff of direct marketing that made Mary Kay Ash a trusted guide for millions of American women. Full of surprising insights, written with H. W. Brands's trademark flair, the stories in *Masters of Enterprise* are must reading for all students of American business history.

Nathan Miller's critically acclaimed biography of Theodore Roosevelt is the first complete one-volume life of the Rough Rider to be published in more than thirty years. From his sickly childhood to charging up San Juan Hill to waving his fist under J.P. Morgan's rubicund nose, Theodore Roosevelt offers the intimate history of a man who continues to cast a magic spell over the American imagination. As the twenty-sixth president of the United States, from 1901 to 1909, Roosevelt embodied the overwhelming confidence of the nation as it entered the American Century. With fierce joy, he brandished a "Big Stick" abroad and promised a "Square Deal" at home. He was the nation's first environmental president, challenged the trusts, and, as the first American leader to play an important role in world affairs, began construction of a long-dreamed canal across Panama and was awarded the Nobel Peace Prize for almost singlehandedly bringing

Download Free Tr The Last Romantic Hw Brands

about a peaceful end to the Russo-Japanese War. In addition to following Roosevelt's political career, Theodore Roosevelt looks deeply into his personal relations to draw a three-dimensional portrait of a man who confronted life-wrenching tragedies as well as triumphs. It is biography at its most compelling.

National Bestseller In this, the first major single-volume biography of Andrew Jackson in decades, H.W. Brands reshapes our understanding of this fascinating man, and of the Age of Democracy that he ushered in. An orphan at a young age and without formal education or the family lineage of the Founding Fathers, Jackson showed that the presidency was not the exclusive province of the wealthy and the well-born but could truly be held by a man of the people. On a majestic, sweeping scale Brands re-creates Jackson's rise from his hardscrabble roots to his days as frontier lawyer, then on to his heroic victory in the Battle of New Orleans, and finally to the White House. Capturing Jackson's outsized life and deep impact on American history, Brands also explores his controversial actions, from his unapologetic expansionism to the disgraceful Trail of Tears. This is a thrilling portrait, in full, of the president who defined American democracy.

"Epic in its scale, fearless in its scope"

(Hampton Sides), this masterfully told account of the American West from a two-time Pulitzer Prize finalist sets a new standard as it sweeps from the California Gold Rush and beyond. In *Dreams of El Dorado*, H. W. Brands tells the thrilling, panoramic story of the settling of the American West. He takes us from John Jacob Astor's fur trading outpost in Oregon to the Texas Revolution, from the California gold rush to the Oklahoma land rush. He shows how the migrants' dreams drove them to feats of courage and perseverance that put their stay-at-home cousins to shame—and how those same dreams also drove them to outrageous acts of violence against indigenous peoples and one another. The West was where riches would reward the miner's persistence, the cattleman's courage, the railroad man's enterprise; but El Dorado was at least as elusive in the West as it ever was in the East. Balanced, authoritative, and masterfully told, *Dreams of El Dorado* sets a new standard for histories of the American West.

From master storyteller and New York Times bestselling Historian H. W. Brands comes the definitive biography of a visionary and transformative president. In his magisterial new biography, H. W. Brands brilliantly establishes Ronald Reagan as one of the two great presidents of the twentieth century, a true peer to Franklin Roosevelt. Reagan

Download Free Tr The Last Romantic Hw Brands

conveys with sweep and vigor how the confident force of Reagan's personality and the unwavering nature of his beliefs enabled him to engineer a conservative revolution in American politics and play a crucial role in ending communism in the Soviet Union. Reagan shut down the age of liberalism, Brands shows, and ushered in the age of Reagan, whose defining principles are still powerfully felt today. Employing archival sources not available to previous biographers and drawing on dozens of interviews with surviving members of Reagan's administration, Brands has crafted a richly detailed and fascinating narrative of the presidential years. He offers new insights into Reagan's remote management style and fractious West Wing staff, his deft handling of public sentiment to transform the tax code, and his deeply misunderstood relationship with Soviet leader Mikhail Gorbachev, on which nothing less than the fate of the world turned. Reagan is a storytelling triumph, an irresistible portrait of an underestimated politician whose pragmatic leadership and steadfast vision transformed the nation.

An analysis of the final ten years of Theodore Roosevelt's life describes how he went on safari after leaving the White House, unsuccessfully strived for another presidential term, worked to support Liberty bonds when the U.S. entered World War I, and lost his son on Bastille Day. Reprint. 35,000
