What does it mean to be a woman? The current cultural ideal for womanhood encourages women to be strident, sexual, self-centered, independent -- and above all -- powerful and in control. But sadly, this model of womanhood hasn't delivered the happiness and fulfillment it promised. The Bible teaches that it's not up to us to decide what womanhood is all about. God created male and female for a very specific purpose. His design isn't arbitrary or unimportant. It is very intentional and He wants women to discover, embrace, and delight in the beauty of His design. He's looking for True Women! Bible teachers Mary A. Kassian and Nancy Leigh DeMoss share the key fundamentals of biblical womanhood in this eight week study. Each week includes five daily individual lessons leading to a group time of sharing and digging deeper into God's Word. And to enhance this time of learning together, on-line videos are available featuring Mary and Nancy as they encourage women to discover and embrace God's design and mission for their lives. ministry come about when we embrace and celebrate His design. In this Bible study for women, Nancy DeMoss Wolgemuth and Mary Kassian delve into Titus 2 to celebrate redeemed womanhood. Exploring 10 “design elements” of biblical womanhood, they will lead you on a 10-week journey of discovering what a beautiful heart looks like, and how it leads to a beautiful life. Each week is divided into five lessons that provide opportunity for group interaction and delving deep into Scripture. You'll explore the following themes: Discernment Honor Affection Discipline Virtue Responsibility Benevolence Disposition Legacy Beauty The Lord wants to come in and do a radical renovation of your heart. He wants to change you into a godly woman from the inside out. If you let Him, He'll give you an extreme makeover . . . a new interior design. Why wait? Begin your renovation today.

A charge to women to recover what the feminist revolution has robbed them of: the God-given beauty, wonder, and treasure of their distinctive calling and mission. The feminist revolution was supposed to bring women greater fulfillment and freedom. Yet women today feel anything but fulfilled and free because they have lost the distinctiveness and richness of their calling as women. Now a movement is spreading seeds of hope, humility, obedience, and prayer—a call to return to godly womanhood—and its truth will resound in the hearts of readers through the powerful messages of Nancy Leigh DeMoss, Susan Hunt, Mary Kassian, Carolyn Mahaney, Barbara Hughes, P. Bunny Wilson, and Dorothy Patterson. Though each author approaches the subject of godly womanhood differently, a thread runs throughout that will instill joy and delight at the greatness of God's created order and the part he wants women to play in his grand, redemptive plan. Includes a study guide.

Winner of the 2018 Christian Book Award® (Bible Study Category) Known for her wisdom, warmth, and knowledge of Scripture, Nancy DeMoss Wolgemuth has encouraged millions through her books, radio programs, and conferences. Now she's back with a legacy work on Titus 2 and its powerful vision for women: Woman to woman. Older to younger. Day to day. Life to life. This is God's beautiful plan. The Titus 2 model of older women living out the gospel alongside younger women is vital for us all to thrive. It is mutually strengthening, glorifies God, and makes His truth believable to our world. Imagine older women investing themselves in the lives of younger women, blessing whole families and churches. Imagine young wives, moms, and singles gaining wisdom and encouragement from women who've been there and have found God's ways to be true and good. Imagine all women—from older women to young girls—living out His transforming gospel together, growing the entire body of Christ to be more beautiful. This is Christian community as God designed it. Read this book and take your relationships to new depths, that your life might find its fullest meaning as you adorn the gospel of Christ.

Biblical womanhood is not for the weak. In an age that seeks to obliterate God and His authority, modeling biblical womanhood involves spiritual warfare. Radical Womanhood seeks to equip new believers and long-time Christians alike, exposing the anti-God agenda of the three waves of feminism to date and presenting the pro-woman truth of the Scriptures. Illustrated with numerous personal testimonies, this book will dig deep into the Word and show how it can be lived out today. The foundation and core message of Radical Womanhood is consistent with the traditional complementarian teaching on biblical womanhood. However, the target audience, tone, and style are radically different.

Most books on this subject take a heavily didactic tone that assumes an awareness of Christian lingo and a high degree of spiritual maturity. Radical Womanhood has the narrative approach appreciated by postmodern readers, but still incorporates solid, biblically-based teaching for personal application and growth.

Inundated by popular culture, many women have lost their bearings and no longer trust the internal compass that intuitively affirms those things that are good, true, and noble about womanhood. As Jesus' favorite and most powerful teaching tactic was the parable, it is appropriate that Mary Kassian walks the reader through the compelling tale of the wild versus wise woman found in Proverbs 7. By using 20 points of contrast, she helps readers discern wild from wise, saucy from biblically savvy, and more. *Girls Gone Wise in a World Gone Wild* will captivate, convict, and challenge women to become decreasingly worldly and increasingly godly, and it will equip them with truth for that journey. Includes questions for personal reflection at the end of each chapter
