Our popular U.S. Constitution guide just got even better for 2010! This new and improved 3-panel version features a completely redesigned format, enabling each component—from articles to amendments—to stand out more clearly for reference purposes. Thanks to BarCharts, history buffs have another reason to celebrate!

The checks and balances written into the Constitution helped create one of the most democratic structures in our government, Congress, the ideals of which has inspired numerous other countries leaders since our country s founding. However, with managing the opinions and views of so many groups comes a complex structure that now, more than ever, each American should try to understand. From the budget process to the development of new legislation affecting our day-to-day life, this guide concisely outlines the systems within Congress so any citizen can understand them and more effectively participate as voters."

Want to find out what the Federalist Papers were? Not sure what "ex post facto" means? Wonder no more—these and other terms pertaining to the U.S. government can be found within BarCharts' up-to-date, 3-panel guide. Each term is bolded and defined for easy reference; in addition, all terms are divided into sections addressing particular topics, including the U.S. Constitution, landmark documents and the three branches of government.

The original document, including the Bill Of Rights is presented using the exact language. It's useful for students as well as enthusiasts. It is 4-pages and comes laminated.

This newly revised and updated edition of BarCharts' best-selling U.S. Government study guide features an even more comprehensive, in-depth look at the workings of America's highest political systems. Each color-coded section discusses a particular element of the government in detail using key definitions, office and agency descriptions, and timelines of important events that have impacted how the United States operates politically. It's the perfect reference tool for students and history buffs alike!
