Kach Medina and Jonathan Howe are working-on-the-road couple from the Philippines and UK. Having each decided to quit their jobs and set off around South East Asia to start their new lives, neither imagined they would end up traveling the world with someone they met in a backpackers' bar in Laos. But that's what happened! They are both certified Tantra Yoga Teachers, Ayurveda Massage Therapists and TEFL Certified Teachers. Working wherever and whenever they want! Travelling since April 2013 and currently exploring South America. their next major travel goal- Antartica via Argentina. The Two Monkeys Travel Group is a travel website and blog started by Kach Mu (Philippines) and Jonathan Howe (UK). It's all about their experiences of travelling around the world since April 2013 (non-stop). Topics include Expats Life, DIY guides; Jobs-on-the-Road, Teaching English Abroad and Funding travel techniques. They have different travelling style tips ranging from backpacking and flash-packing to luxury travel. Their readers are mostly from the Philippines, USA, UK and Middle East (UAE, Kuwait, Qatar and Bahrain). GUEST WRITERS/ GUEST POSTS SPONSORSHIP EXCHANGE DEAL / REVIEWS ADVERTISING - Sponsored Posts, Text Link Ads, Banner Ads BLOG COLLABORATION INTERVIEWS If you need a representative in South America, the White Monkey and the Brown Monkey would be your best bet as they plan to be based here for at least 3 years! The other Monkeys are also based in different countries around the world so please feel free to ask us! A student-friendly and practical guide to revision, offering step-by-step instructions for the 10 most commonly assessed skills, example marking sheets, typical examiners questions, and suggested answers to help nursing students achieve success in an OSCE.

A deep dive into Joe Biden's history and the origins of his political values Yesterday's Man exposes the forgotten history of Joe Biden, one of the United States's longest-serving politicians, and one of its least scrutinized. Over nearly fifty years in politics, the man called "Middle-Class Joe" served as a key architect of the Democratic Party's rightward turn, ushering in the end of the liberal New Deal order and enabling the political takeover of the radical right. Far from being a liberal stalwart, Biden often outdid even Reagan, Gingrich, and Bush, assisting the right-wing war against the working class, and ultimately paving the way for Trump. The most comprehensive political biography of someone who has tried for decades to be president, Yesterday's Man is an essential read for anyone interested in knowing the real Joe Biden and what he might do in office.

The world has changed forever. Governments have expanded their reach over their citizens' lives, Power

is being consolidated by an elite few, and The world economy has become more volatile and unpredictable. Meanwhile, the internet, a globalizing world economy, and the emergence of the developing world present opportunities to anyone willing to make simple changes to their life. Geography is no longer a limitation for those willing to follow Andrew Henderson's 'Five Magic Words' and "Go where you're treated best." As the world's most sought-after expert on offshore tax planning, second passports, and global citizenship - cited by the BBC, Bloomberg, Elite Daily and more - Andrew has condensed his last ten years of investigative world travel into an unprecedented book to help entrepreneurs and investors keep more of their own money, live where they want, become citizens of the world, and improve their lives and the planet. Direct. Honest. Experienced. Unapologetic. Practical. Transparent. Even funny. The Nomad Capitalist will show you how to take his "E-K-G" formula to: ENHANCE your personal lifestyle, KEEP more of your money, and GROW your money by living, investing, banking, and doing business overseas. From foreign companies to offshore accounts and from overseas investments to dual citizenship, you'll find everything you need to know to begin a life of international proportions, storing gold in super-secret vaults, finding love in exotic locations, and improving everything from your health to your tax bill by simply "going where you're treated best." It is no longer enough to be a digital nomad. Those who want complete freedom from the world's broken systems must become Nomad Capitalists, learning to navigate the world system to reclaim their freedom and rediscover the possibilities of capitalism's greatest promises. Get the book to see how.

2017 marked three important anniversaries for the Palestinian people: 100 years since the Balfour Declaration; 50 years since the Six-day War; and ten years since the Blockade of Gaza. As an act of penance, solidarity and hope, actor and musician Justin Butcher - along with ten other companions for

the full route, plus another hundred joining him for various stretches along the way - walked from London to Jerusalem. This book is the record of his journey: a combination of walking journal, travel writing and pilgrim stories. It's less of a travel guide to walking across Europe and more an exploration of the many strands radiating from the Holy Land and its narrative, weaving paths across place and history, through the lives of Justin's fellow-walkers - and, of course, his own life. Between the route itinerary and the themes of Balfour and Christian Zionism, Weizmann and cordite, colonialism, Jerusalem Syndrome and Desert spirituality, Justin charts a chronicle of serendipity: happenstances hilarious, infuriating and occasionally numinous - or, as pilgrims might say, encounters with the Divine.

9/11 almost instantaneously remade American politics and foreign policy. The wars in Iraq and Afghanistan, the Patriot Act, water boarding and Guantanamo are examples of its profound and far-reaching effects. But despite its monumental impact--and a deluge of books about al-Qaeda and Islamist terrorism--no one has written a serious assessment of the man who planned it, Osama bin Laden. Available biographies depict bin Laden as an historical figure, the mastermind behind 9/11, but no longer relevant to the world it created. These accounts, Michael Scheuer strongly believes, have contributed to a widespread and dangerous denial of his continuing significance and power. In this book, Scheuer provides a much-needed corrective--a hard-headed, closely reasoned portrait of bin Laden, showing him to be a figure of remarkable leadership skills, strategic genius, and considerable rhetorical abilities. The first head of the CIA's bin Laden Unit, where he led the effort to track down bin Laden, Scheuer draws from a wealth of information about bin Laden and his evolution from peaceful Saudi dissident to America's Most Wanted. Shedding light on his development as a theologian, media manipulator, and paramilitary commander, Scheuer makes use of all the speeches and interviews bin

Laden has given as well as lengthy interviews, testimony, and previously untranslated documents written by those who grew up with bin Laden in Saudi Arabia, served as his bodyguards and drivers, and fought alongside him against the Soviets. The bin Laden who emerges from these accounts is devout, talented, patient, and ruthless; in other words, a truly formidable and implacable enemy of the West. Acclaim for *Imperial Hubris: Why the West is Losing the War on Terrorism* "Pulls few punches...a fascinating window on America's war with Al Qaeda." --Michiko Kakutani, *New York Times* "No serious observer of the war on terrorism can ignore this scathing critique." --Peter Bergen, author of *Holy War, Inc.* "A powerful, persuasive analysis of the terrorist threat and the Bush administration's failed efforts to fight it." --Richard A. Clarke, *Washington Post Book World* "A fire-breathing denunciation of U.S. counterterrorism policy." --Julian Borger, *The Guardian* "Presents overwhelmingly persuasive evidence to buttress a host of significant and controversial arguments." --Benjamin Schwarz, *Atlantic Monthly* "Destined to become a classic in the field of counterterrorism analysis." --Bruce Hoffman, author of *Inside Terrorism*
