delegating

responsibilities you

thought were yours

and yours alone This

practical strategy is

for the millions of

working mothers

struggling to make it

all work. Don't let your

Get Free Working

guilt slow you down.

Katherine Wyse

Goldman interviewed

hundreds of mothers

to come up with the

tips, plans of action

and decisions that

have worked for

career women around

the country. Here's

everything you need

when you want to get

control of your time,

your life and your

Get Free

Working

future. Here's how to
make your home run
as smoothly as a
Fortune 500
corporation.

Dispelling our most
cherished myths
about working
mothers, Suzanne
Venker argues that
women can never be
successful in the
workplace and at

Get Free Working

home simultaneously.
Women can achieve
the balance they so
desperately seek only
by planning their
careers around
motherhood, rather
than planning
motherhood around
their careers.

This book will give
working mothers the
confidence that they

Get Free Working

can pursue a career while raising healthy, successful children. In *My Mother, My Mentor: What Grown Children of Working Mothers Want You to Know*, author Pamela F. Lenehan combines stories and research on children of working mothers. Using interviews and an independent survey,

Get Free Working

Lenehan delves into the recollections of the mothers and now-grown children to understand what worked well and what issues working mothers need to consider. These narratives also illustrate what the mothers and children thought about the best ways to spend

Get Free Working

their time together. In
My Mother, My
Mentor working
mothers and their
grown children relate
their different views of
what success means
to them. The data
show that the children
of working mothers
graduate from
college, are
employed, in
committed

Get Free

Working

relationships, have children, and are just as happy as children whose mothers stayed at home.

Useful and informational, My Mother, My Mentor communicates that not only did the children of working mothers survive having a working mother, they thrived in

Get Free

Working

an environment where mothers provided their children a strong work ethic, taught them resilience, and continued as a sounding board long into adulthood.

Social Policy

The work-family conflict that mothers experience today is a national crisis.

Women struggle to

Get Free Working

balance breadwinning with the bulk of parenting, and social policies aren't helping. Of all Western industrialized countries, the United States ranks dead last for supportive work-family policies. Can American women look to Europe for solutions? Making Motherhood Work

Get Free Working

draws on interviews that Caitlyn Collins conducted over five years with 135 middle-class working mothers in Sweden, Germany, Italy, and the United States. She explores how women navigate work and family given the different policy supports available in each country. Taking readers into women's

Get Free

Working

homes, neighborhoods, and workplaces, Collins shows that mothers' expectations depend on context and that policies alone cannot solve women's struggles. With women held to unrealistic standards, the best solutions demand that we redefine motherhood,

Get Free

Working

Mothers And
work, and family.

The Child Care

Dilemma A
In the five years

following the passage

of federal welfare

reform law, the labor

force participation of

low-income, single

mothers with young

children climbed by

more than 25 percent.

With significantly

more hours spent

outside the home,

Get Free

Working

single working

mothers face a

serious childcare

crunch—how can they

provide quality care

for their children? In

Putting Children First,

Ajay Chaudry follows

42 low-income

families in New York

City over three years

to illuminate the plight

of these mothers and

the ways in which

Get Free Working

they respond to the difficult challenge of providing for their children's material and developmental needs with limited resources. Using the words of the women themselves, Chaudry tells a startling story. Scarce subsidies, complicated bureaucracies, inflexible work

Get Free Working

schedules, and limited choices force families to piece together care arrangements that are often unstable, unreliable, inconvenient, and of limited quality.

Because their wages are so low, these women are forced to rely on inexpensive caregivers who are often under-qualified

Get Free Working

to serve the developmental needs of their children. Even when these mothers find good, affordable care, it rarely lasts long because their volatile employment situations throw their needs into constant flux. The average woman in Chaudry's sample had to find five different primary

Get Free Working

caregivers in her child's first four years, while over a quarter of them needed seven or more in that time.

This book lets single, low-income mothers describe the childcare arrangements they desire and the ways that options available to them fail to meet even their most basic needs. As Chaudry

Get Free Working

tracks these women through erratic childcare spells, he reveals the strategies they employ, the tremendous costs they incur and the anxiety they face when trying to ensure that their children are given proper care. Honest, powerful, and alarming, *Putting Children First* gives a

Get Free Working

fresh perspective on work and family for the disadvantaged. It infuses a human voice into the ongoing debate about the effectiveness of welfare reform, showing the flaws of a social policy based solely on personal responsibility without concurrent societal responsibility, and

Get Free

Working

suggesting a better
path for the future.

A retired Wall Street
Journal editor and
mother compares two
generations of
women—boomers and
GenXers—to examine
how each navigates
the emotional and
professional
challenges involved in
juggling managerial

Get Free Working

careers and families. For the first time in American history, a significant number of mothers are heading major corporations, including General Motors, Ulta Beauty, and Best Buy. Over the past several decades, women have made gains throughout executive suites. Yet these

Get Free Working

Power Moms still struggle with balancing their management responsibilities with raising children. Joann S. Lublin draws on the experiences of the nation's two generations of these successful women to measure how far we've come—and how far we still need to go.

Get Free Working

Lublin combines her own insights with those of eighty-five executive mothers across industries—including experienced public-company chiefs such as Carol Bartz, the first woman to command Autodesk and Yahoo; Hershey's Michele Buck, DuPont's Ellen

Get Free Working

Kullman, ITT's
Denise Ramos, and
WW International's
Mindy Grossman—and
twenty-five of their
grown daughters.
Lublin reveals how
trailblazer boomers,
many now in their
sixties, often endured
sweeping disapproval
for their demanding
management careers,
even as their own

Get Free Working

daughters sometimes rejected their choices. While the second wave of executive mothers—all under forty-five—handle working parenthood with less angst, they still lead stressful lives. Power Moms provides lessons and advice to help today's professional women, their families, and

Get Free Working

their employers And
navigate this
challenging terrain.
Lublin looks at the
trade-offs mothers are
too often forced to
make between work
and family and the
root causes, including
the dearth of large-
scale paid parental
leave and other family-
friendly policies. While
it celebrates the gains

Get Free Working

women have made,
Power Moms makes
clear how much more
must be done to make
being a working
mother easier.

Every working
mother's path is
unique and should be
celebrated, not
lamented. Yet all too
frequently, working
mothers are

Get Free

Working

presented with
advice, rules to follow
or guidelines as if all
women's experiences
are the same and a
one-size-fits-all
solution is
appropriate. Maternal
Optimism: Forging
Positive Paths
through Work and
Motherhood aims to
provide readers with
stories and research

Get Free Working

that support the notion of women owning and feeling confident in the choices they make, as they navigate a complex series of work and family transitions. This book challenges the impulse to reduce work/life challenges to a single point in time, such as the decision

Get Free Working

to return to work after the birth of a child; instead, it recognizes that work and family decisions are anything but stagnant. They shift as life and career shift and are often filled with unpredictable events. By understanding and anticipating these shifts, working mothers can develop

Get Free Working

the resiliency they need at home and at work. This book is a resource for all professional women as they approach the difficulties and the joys of growing a family and a career.

The ultimate must-read handbook for the modern mother: a practical, and positive

Get Free

Working

tool to help free women from the debilitating notion of being the "perfect mom," filled with funny and all too relatable true-life stories and realistic suggestions to stop the burnout cycle, and protect our kids from the damage burnout can cause. Moms, do you feel tired?

Page 76/83

Get Free Working

Overwhelmed? Have you continually put off the things you need to do for you? Do you feel like it's all worth it because your kids are happy? Are you "over" being a mother? If you answered yes to these questions, you're not alone. Parents today want to create the ideal

Get Free Working

childhood for their children. Women strive to be the picture-perfect Pinterest mother that looks amazing, hosts the best birthday parties in town, posts the most "liked" photos, and serves delicious, nutritious home-cooked meals in her neat, organized home after ferrying the kids

Get Free Working

to school and a host of extracurricular activities on time. This drive, while noble, can also be destructive, causing stress and anxiety that leads to "mommy burnout."

Psychologist and family counselor Dr. Sheryl Ziegler is well-versed in the stress that moms face, and the burden of guilt

Get Free Working

Mothers And
The Child Care
Dilemma A
History Of

Columbias
Social Policy

they carry because they often feel like they aren't doing enough for their kids' happiness. A mother of three herself, Dr. Zayas she's affectionately known by her many patients recognizes and understands that modern moms are all too often plagued by exhaustion, failure,

Get Free Working

isolation, self-doubt,
and a general lack of
self-love, and their
families are also
feeling the effects,
too. Over the last
nineteen years
working with families
and children, Dr. Z
has devised a
prescriptive program
for addressing
"mommy
burnout" teaching

Get Free

Working

Moms that they can learn to re-energize themselves and still feel good about their families and their lives. In this warm and empathetic guide, she examines this modern epidemic among mothers who put their children's happiness above their own, and offers empowering, proven solutions for

Get Free

Working

alleviating this
condition, saving
marriages and
keeping kids happy in
the process.
