Somaliens embedsmænd og regeringsledere mellem 1960 til 2006, i kronologisk orden

Somalia is a failed state, representing a threat to itself, its neighbours and the wider world. In recent years, it has become notorious for the piracy off its coast and the rise of Islamic extremism, opening it up

as a new 'southern front' in the war on terror. At least that is how it is inevitably portrayed by politicians and in the media. Mary Harper presents the first comprehensive account of the chaos into which the country has descended and the United States' renewed involvement there. In doing so, Harper argues that viewing Somalia through the prism of al-Qaeda risks further destabilizing the country and the entire Horn of Africa, while also showing that though the country may be a failed state, it is far from being a failed society. In reality, alternative forms of business, justice, education and local politics have survived and even flourished. Provocative in its analysis, Harper shows that until the international community starts to 'get it right' the consequences will be devastating, not just for Somalia, but for the world.

Through the Ages, women the world over, have lived under subjugation; women in India have been subjected to various atrocities as well. Nonetheless, despite the odds stacked against them, many have become shining examples for others to follow; not for them the phrase: Frailty thy name is woman. So it is with the characters, whose stories appear on the pages of this book. Their names may be ordinary, but their show of resilience is extraordinary. Kavita, Pushpa, Poonam, Deepa, Charu, Aru and Madhuri, hailing from different cities and different strata of the Indian Society, all run into problems not of their making. From fighting to keep their foetuses alive, to confronting the problem of impotency, to avoiding

unwarranted advances, to being involved in murders, to giving birth to a baby who talks about his past, to taking care of a son who has cancer, to sustaining a brain haemorrhage, to having a tumour and a baby growing together, to being looked down upon as a divorcee - they face it all. But, their never-say-die attitude stands them in good stead. They tackle their individual problems and come up triumphant.

"Somali sideways has got to be one of the ground breaking creative projects ever created by a Somali for Somalis only. It shares powerful, sad, funny and hopeful global stories of Somalis. I was honoured to have been part of the work Mohamed created and it gave me the opportunity to share my journey with many other Somalis around the world." - Leyla Hussein; Lead Social Activist, Psychotherapist, Writer.

"I think Somali Sideways was the first platform that allowed Somalis to connect with and be inspired by stories of strangers from around the world. I think the images of Somalis standing sideways were very powerful. To me it felt like they were allowing us into their lives but at the same time reminding that there is a lot more to them that we don't know." - Haweya Ismail; Founder of MUD & MUSK

"Mohamed Mohamud is one of the smartest, inspiring and hardworking leaders you will ever meet. When Mohamed started Somali Sideways to shape the narrative and showcase positive images of the Somali experience globally, there were not many platforms that filled the need Mohamed saw. Mohamed was a young man ahead of his time. Hundreds of people have reached out to him to share their life experiences from all corners of the world. Somali Sideways brought us stories of Somalis

in places we never imagine finding Somalis in the first place. With this book, Mohamed has chosen some of the best and inspiring stories that he hopes to share with the world." - Guled Ibrahim; Rotary Peace Fellow and One Young World Ambassador

This study analyses the basic assumptions which had informed the construction of the now, discredited Somali myth.,.

Military history of all the expeditions between 1900-1920 (when the Mullah was finally defeated by the employment of airpower). Lists of Commands & Staff, Orders of Battle. The author was Secretary to the Somaliland Administration, 1916-21.
