Experience a life free of financial stress and transform your relationship to money with this indispensable guide—the first book based on You Need A Budget ' s proven method that has helped hundreds of thousands of people break the paycheck to paycheck cycle, get out of debt, and live the life they want to live. No one should tell you what to do with your money—only you know what ' s most important to you. Always guiding you back to your true priorities, Jesse Mecham will fundamentally change the way you think about your money and what it can do for you. His proven method—four, simple rules—will transform money management from a paralyzing burden to a powerful tool, putting you in total control of your life: Give Every Dollar A Job. Be intentional about what you want your money to do before you spend it. Embrace Your True Expenses. Break up larger, less frequent expenses into smaller, more manageable amounts. By saving monthly for insurance premiums, holidays, or car repairs, when the time comes, your money is ready and waiting to do its job. Roll With The Punches. When life changes, so must your budget. Make adjustments and move along. Flexible budgets succeed because they ' re guilt-free, realistic, and sustainable. Age Your Money. As you repeat the first three rules, you ' ll increase the time between the moment you earn a dollar and the moment you need to spend it. When your money is at least a month old, you ' ll have finally broken the paycheck to paycheck cycle for good. This tried-and-true system has changed the lives of hundreds of thousands of people by teaching them how to take charge, adjust money habits, eliminate stress, and build the life they want to live. Don ' t waste another month counting down the minutes until payday....

Author of cult classics The Pumpkin Plan and The Toilet Paper Entrepreneur offers a simple, counterintuitive cash management solution that will help small businesses break out of the doom spiral and achieve instant profitability. Conventional accounting uses the logical (albeit, flawed) formula: Sales - Expenses = Profit. The problem is, businesses are run by humans, and humans aren't always logical. Serial entrepreneur Mike Michalowicz has developed a behavioral approach to accounting to flip the formula: Sales - Profit = Expenses. Just as the most effective weight loss strategy is to limit portions by using smaller plates, Michalowicz shows that by taking profit first and apportioning only what remains for expenses, entrepreneurs will transform their businesses from cash-eating monsters to profitable cash cows. Using Michalowicz's Profit First system, readers will learn that: - Following 4 simple principles can simplify accounting and make it easier to manage a profitable business by looking at bank account balances. - A small, profitable business can be worth much more than a large business surviving on its top line. - Businesses that attain early and sustained profitability have a better shot at achieving long-term growth. With dozens of case studies, practical, step-by-step advice, and his signature sense of humor, Michalowicz has the game-changing roadmap for any entrepreneur to make money they always dreamed of.

Buy now to get the insights from Jesse Mecham ' s You Need a Budget. Sample Insights: 1) Budgeting is not about a spreadsheet detailing what you need to spend in a month. This system lacks flexibility and doesn ' t allow you to prioritize your spending, especially if there isn ' t enough money for everything. 2) Your budget is all about thinking ahead. Just make sure you don ' t forecast future money. That cash will be great when it hits your account, but you ' re only concerned with making sure the money you have today gets you closer to your goals.

Knowing you buy only important stuff and can't stop asking yourself where the heck did your money go? You know the best way to get an answer is to make a budget but where to start? Financial Management for Beginners not only can make you start but finally get ahead. Experience a life free of financial stress, debts, bills and late payment fees and transform your relationship to money into something stable and pleasant. Man or women, young adult or a elderly person you are - it doesn't matter. Regardless of how much your income is we'll find a way to budget, save, and increase your net worth. In the spirit of Wendy Mogel ' s The Blessing of a Skinned Knee and Po Bronson and Ashley Merryman ' s Nurture Shock, New York Times “ Your Money ” columnist Ron Lieber delivers a taboo-shattering manifesto that explains how talking openly to children about money can help parents raise modest, patient, grounded young adults who are financially wise beyond their years. For Ron Lieber, a personal finance columnist and father, good parenting means talking

about money with our kids. Children are hyper-aware of money, and they have scores of questions about its nuances. But when parents shy away from the topic, they lose a tremendous opportunity—not just to model the basic financial behaviors that are increasingly important for young adults but also to imprint lessons about what the family truly values. Written in a warm, accessible voice, grounded in real-world experience and stories from families with a range of incomes, *The Opposite of Spoiled* is both a practical guidebook and a values-based philosophy. The foundation of the book is a detailed blueprint for the best ways to handle the basics: the tooth fairy, allowance, chores, charity, saving, birthdays, holidays, cell phones, checking accounts, clothing, cars, part-time jobs, and college tuition. It identifies a set of traits and virtues that embody the opposite of spoiled, and shares how to embrace the topic of money to help parents raise kids who are more generous and less materialistic. But *The Opposite of Spoiled* is also a promise to our kids that we will make them better with money than we are. It is for all of the parents who know that honest conversations about money with their curious children can help them become more patient and prudent, but who don't know how and when to start.
